Sr. Associate Consultant

NTT Data Global Delivery Service Ltd.

MY process name is Hartford and in Hartford process there is a small team that name is my Email Review team. My work is receive email in mailbox accounts and generate the task in the given claim and paste the all information of the email. If there is any attachment like pdf file, tiff file and jpeg file in the email, so we are fax the document and uploaded the same claim. And the second scenario if no information in email then we forward those emails in mailbox supervisor then all data have to manage at the Excel sheet.

Sep 2017 - Sep 2018
